Subject JARC-Small Urban Projects List for Programming 

Good Morning Abhijit,

Please find attached the entire list of projects for FTA Section 5316 (JARC) to be programmed into the FSTIP. Nine projects has been approved by FTA to be transferred to the Section 53107 program. These projects are identified with the UZA Code in the column titled, "Transfer to UZA or FTA Grant No.". The remaining nine projects have been applied for in a Caltrans grant to FTA. The FTA grant number CA-37-X149-00 is identified in the same column.

The 5307 agencies must apply directly to FTA for the transfer projects immediately as it will take time for FTA to review and approve the application. If you have any questions or need additional information please do not hesitate to contact me. Thank you for your help.
